Re: Real-time Closed Captioning RFP Status Report

Dear Mr. Terreni:

The Office of Regulatory Staff provided a final draft of the request for proposals to provide real-time close captioning through Dual Party funding to the Information Technology Management Office ("ITMO"). ORS anticipates receipt of the updated contract language from ITMO by November 15, 2006. Once the ORS' final review is complete, the Request for Proposal will be posted by ITMO.

We will continue to update you on the progress of this project. Please contact me at 803-737-0814 with any questions.

Sincerely,

Dawn Hipp
Program Manager
